MicroFinish® Technology  
for dry and wet grip

Latex double coating

Liquid resistant fingers

Cat. II

EN388

2131X

## FEATURES

- » In addition to the double coated palm, fully coated fingers provide more safety and protection from soil, dirt and liquid penetration, ideal when working in narrow, hard to access spaces where fingers are more exposed to risks.
- » The 13 gauge open back nylon liner offers excellent flexibility and reduced perspiration, minimizing hand fatigue, thus increasing productivity.
- » Splendid dry and wet grip with MicroFinish® technology.

Also available  
in black (324).
