

DATA SHEET

GUIDIND STICK BAG CUTTER-

The Bag Cutter Stick is designed to get the operator out from under the bag, preventing them from being exposed to the “line of fire”. Using the Bag Hole Stick you can cut through the bottom of the bag without exposing yourself to unnecessary risks. *Also use the “Vertical Handle” accessory (cod: 271), for models over 1.5 meters, for even more comfort and ergonomics.

*Use the “Vertical Handle” accessory (code: 271) for models over 1.5 meters for even more comfort and ergonomics.
