Shop Vac Power Handheld Size

Industrial-strength performance without the bulk.

USA

1500 Gun Vac®
Includes 9" crevice tool and high filtration collection bag.

Tough on Debris

Engineered to collect debris of all kinds: metal chips, pellets, shavings, dirt, and dust.

1510 Gun Vac® Deluxe
Includes 5 pc. accessory kit with popular attachments and high filtration collection bag.

1548 Gun Vac®
Includes 18" flexible steel extended nozzle for easy access and high filtration collection bag.

GunVac® Handheld Vacuum Kit

Place twice the power of a standard shop vacuum in the palm of your hand. Powered by standard shop compressed air, the lightweight GunVac pneumatic vacuum has no electric motors to burn out. Easy to empty, high filtration collection bag attaches to rear of vacuum via hose cuff. Tapered vacuum inlet accepts all standard 1-1/4" vac accessories. Unit hangs on a hook, ready for use at anytime.

- Rugged, all metal construction
- Contoured, comfort grip
- Convenient, hanging eyelet
- High filtration collection bag with zipper
- 1/4" FNPT bottom and rear inlets

Color of attachments may vary.
