

GUARDAIR®

PalmJet™
Model GA4404B
(Shown)

Packed with performance, the PalmJet™ is the most advanced, thumbswitch-style safety air gun on the market today. Featuring an ergonomic handle, comfort trigger, and rugged, chrome-plated steel, 1/4" diameter extension, the PalmJet™ is ideal for cleaning the tightest cavities. Precision volume control sets the airflow -- from a whisper to a blast. Choose from 4 popular extension lengths in bent or straight configuration. Star-tip nozzle provides OSHA compliance and superior, debris-cleaning performance. 1/4" FNPT inlet.

Key Features

- High impact, polypropylene body
- Soft rubber, ergonomic grip
- Extended, comfort trigger
- Generous hanging hook
- Precision, adjustable air volume control
- 4", 12", 18" and 24" interchangeable extensions
- OSHA compliant, star tip nozzle
- Brass 1/4" FNPT inlet
