PowerQUAD™

PNEUMATIC VACUUMS

ASSEMBLED IN USA

About PowerQUAD

PowerQUAD vacuums are the most exciting advancement in pneumatic vacuum technology in over 75 years! Featuring a patent-pending, dual-stage vacuum, multi-venturi generating engine. PowerQUAD vacuums save energy, and can be configured to match your compressed air supply while optimizing vacuum performance.

Why Choose Pneumatic over Electric?

NO ELECTRIC MOTORS TO SPARK, BURNOUT, WEAR OUT, OR OVERHEAT.

Savings

PowerQUAD's FOREVER WARRANTY means lower Total Cost of Ownership.

Save Up To 71% Compressed Air.

Performance

Customer configurable nozzles provide superior vacuum performance.

Up to 35% Higher Vac Head. Up to 67% More Vac Flow.

Safety

Pneumatic vacuums are inherently safe in hazardous or wet environments.

No Dangerous Electric Cords on the Shop Floor.

Quiet

PowerQUAD is the quietest pneumatic vacuum on the market period!

Ultra Quiet Operation. Less Than 88 dB.

FITS ALL EXISTING GUARDAIR VACUUM ACCESSORIES AND ATTACHMENTS.

PowerQUAD PERFORMANCE & MODELS

CUSTOMER CONFIGURABLE PERFORMANCE

Easy to change color-coded injector nozzle sets are included with all vacuums.

INJECTOR NOZZLE SET	COMPRESSED AIR	VAC FLOW UP TO	VAC HEAD UP TO	ADVANTAGE
	**20** cfm	**110** cfm	**122** inches H_20	Maximum Compressed Air Savings.
	**40** cfm	**139** cfm	**225** inches H_20	Compressed Air Savings **AND** Higher Vacuum Performance.
	60 cfm	**149** cfm	**251** inches H_20	Maximum Vacuum Performance.

PowerQUAD **STANDARD** Vacuums

5, 10, 20, 30 & 55 GALLON KITS 1-¼", 1-½", 2" VAC INLETS

- Ideal for vacuuming up chips, dust, debris, liquids, or sludge in **industrial and commercial applications.**
- **KITS INCLUDES:** vacuum hose, air supply hose and accessories.
- **FOREVER WARRANTY**

PowerQUAD **ATEX-CERTIFIED** Vacuums

30 & 55 GALLON KITS 1-½", 2" VAC INLETS

- Ideal for vacuuming **combustible dust** and operating in many **hazardous locations.**
- **Electrically bonded components**, multiple grounding options and static conductive attachments eliminate static electricity at the source.
- **KITS INCLUDES: static conductive** vacuum hose, static conductive air supply hose and metal accessories.
- **FOREVER WARRANTY**

PowerQUAD **NED** Vacuums

20, 30 & 55 GALLON KITS 1-½", 2" VAC INLETS

- Ideal for vacuuming up chips, dust, debris, liquids, or sludge where **nuisance static electricity** is a concern.
- **Electrically bonded components**, multiple grounding options and static conductive attachments eliminate static electricity at the source.
- **KITS INCLUDES: static conductive** vacuum hose, static conductive air supply hose and metal accessories.
- **FOREVER WARRANTY**

PowerQUAD **PulseAir™** Vacuums

20, 30 & 55 GALLON KITS 1-½", 2" VAC INLETS

- Ideal for clean-up in **high dust environments**.
- Featuring button-activated technology for **on-demand filter cleaning** without opening the unit.
- Minimizes operator exposure to dust and meets **OSHA Silica Dust Regulation** 29 CFR 1926.1153.
- **Electrically bonded components**, multiple grounding options and static conductive attachments eliminate static electricity and nuisance shocks at the source.
- **KITS INCLUDES: static conductive** vacuum hose, static conductive air supply hose, push dolly, and accessories.
- **FOREVER WARRANTY**

PowerQUAD **PulseAir™** Dust Extractors

20 & 30 GALLON KITS 1-½", 2" VAC INLETS

- Ideal for use with **source-capture tools**.
- Featuring button-activated technology for **on-demand filter cleaning** without opening the unit.
- Minimizes operator exposure to dust and meets **OSHA Silica Dust Regulation** 29 CFR 1926.1153.
- **Electrically bonded components**, multiple grounding options and static conductive attachments eliminate static electricity and nuisance shocks at the source.
- **KITS INCLUDES: static conductive** vacuum hose, static conductive air supply hose and push dolly.
- **FOREVER WARRANTY**
