

# TECHNICAL DATA SHEET

SECUPLUS 568 NO. 568001

#### No sharp blade = extra saftey

The cutting edges are not angled, but straight ground. This means: No danger for your fingers. Therefore our safety scissors all carry the name SECUPLUS = special safety

## EXTRA-LARGE SAFETY SCISSORS WITH EXTRA-LONG CUTTING EDGE AND FINGER-FRIENDLY SPECIAL CUT.

Order No. 568001.00

## Scissors for industry. Cutting with power.

The SECUPLUS 568 from MARTOR are industrial scissors for use in logistics and production. They are the tool of choice for cutting materials such as thicker cardboard, rubber and strapping bands. The safety scissors are extremely robust while also being impressively large with a cutting edge length of 115 mm. A special safety ground-edge and rounded tips also ensures protection from from cutting and pricking while working.

## Strong connection

A must for high-quality scissors. The scissor blades are joined in the centre using a high-quality screw and nut to provide outstanding robustness.

## Extra long cutting edge

No other scissors from MARTOR are as long as the SECUPLUS 568. Their 115 mm cutting edge length quickly cuts through materials. Power can be delivered through the extra-large cutting edges – ideal for tough cutting tasks.

## Ergonomic handle

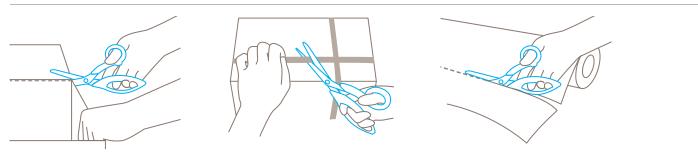

The blades have extra-large handles, ideal when wearing gloves, and also have a practical thumb opening. Soft grip on the inside of the handles provides comfort and non-slip operation.

## Efficient, but not hazardous

Take a look at the cutting edges. Noticed anything? They are not ground at an angle, but at right angles. Therefore you cannot cut yourself, only the large range of potential materials.

## Stainless steel

You will be able to use your scissors for a very long time as the metal parts are made from stainless steel. The handles have been coated in a plastic reinforced with fibreglass. Another guarantee for a long service life.

### PRODUCT AND PACKAGING DETAILS

Order No.	NO. 568001.00	Packaging unit	1 on self-service card	
Scissors size (L x W x H)	285 x 17 x 100 mm	Size self-service card	330 x 13 x 125 mm	
Weight scissors	232.4 g	Weight self-service card	271.0 g	
Basic material	Stainless steel	EAN Code self-service card	4002632804861	
		Quantity in outer pack	10 scissors	
		Size outer pack	130 x 140 x 367 mm	

Weight outer pack EAN Code outer pack Customs tariff number

#### SAFETY ADVICE

Please read these instructions and keep them safe so that you can use your new MARTOR scissors safely and in the best possible way.

**1. General application instructions:** Please always use the product carefully for manual cutting work only and not for any purposes other than those that are intended. Please take the correct handling and the proper use of the knives into accountin this regard. As an additional safety measure, we recommend the wearing ofsafe gloves.

2. Special application instructions to avoid thedanger of injuries: Always use the safety scissors with great caution even when the specially sharpened cutting edges seem to offer protection from cut and stab injuries. Do **not** grind the scissors. Please only use the scissors for the above-mentioned materials in an appropriate fashion and always carefully. With this in mind, respect the correct handling and usage of the safety scissors. Any other usage can lead to damaging the product or even other nearby items. Through

inappropriate usage, e.g. knocks, bangs or falling from even a low height, the scissors can become damaged. In particular, the scissors must not be used in a way that can cause a crushing hazard to the hands or other limbs. Always guide the safety scissors in a straight line away from you and keep them at a constant suitable angle.
