FEATURES

- » Very high level of cut resistance: ANSI/ISEA A6, CUT F ISO level achieved by combining Kevlar® and steel fibers for increased safety.
- » The 10 gauge liner coupled with latex double coating provides excellent durability for the most strength demanding and heavy tasks.
- » The MicroFinish® technology delivers spectacular wet and dry grip while maintaining flexibility and softness.
- » Certified to sustain contact heat up to 250 degrees Celsius (480°F) for 15 seconds.

APPLICATIONS
